MEDITERRANEAN

2020

FEATURING GREECE

DUBROVNIK, CROATIA

GO BEYOND THE ORDINARY HOLIDAY.

SECLUDED SHORES & SUN-WASHED CITIES.

The Mediterranean's sapphire seas are sure to lure you in and coax you to stay a while. But beyond the azure waters lie the little-known tiny villages, whitewashed and nestled against sandy shores; and the marble-clad fortresses and winding courses of turquoise waterfalls—places loved by locals and untouched by the outside world. Globus invites you to dive deeper into the blues of the Mediterranean's secluded seaside towns and ancient alleyways. Follow us down sunsoaked streets to discover the places where cities, coasts, and cultures connect—places other tours and cruises have yet to discover. No one gets you closer to the undiscovered magic of the Mediterranean.

GLOBUS PRIVATE TOURING.

Did you know that any Globus European tour package can be enjoyed as a private tour holiday? MEALS

Food and wine tastings plus traditional meals at local restaurants help you experience your destination's culture through its cuisine. Globus tours always include several meals, each featuring at least one complimentary glass of regional wine, beer, soft drinks, coffee, or tea for an additional taste of local flavour.

GREAT HOTELS IN THE HEART OF THE ACTION.

No need to read countless and overwhelming online hotel reviews. We've already reserved the best rooms mere steps from the greatest sights. While other tour operators choose hotels outside of your dream destinations, our tour accommodations welcome you into the heart of the locales of the Mediterranean.

We also know that relaxation is essential at the end of a day of travel or sightseeing. The last thing you want to do is wrestle with suitcases or stand in line to check in. Our hotel partners and Tour Directors are masters at efficient group check-ins while you simply step off your motorcoach and relax. (Most hotels have free Wi-Fi in the lobby). Your Tour Director hands you your key and arranges baggage delivery right to your room. We take care of the portering gratuity, so no tips required!

WE'VE SPENT THE LAST 9 DECADES PLANNING YOUR HOLIDAY.

OUR STORY BEGAN OVER 90 YEARS AGO.

When you select a Globus holiday, you're choosing a company that has defined the way today's travellers experience the world. It all began on a spring day in 1928. While using his family's rowboat to transport lumber across beautiful Lake Lugano in Switzerland, Antonio Mantegazza became inspired to share the stories of his home with others. He soon began transporting tourists instead...and Globus was born.

THE WORLD'S MOST HIGHLY AWARDED TOUR OPERATOR
When you do things the right way for the right reasons, people notice. By delivering an outstanding travel experience and focusing on our travellers—every time—we've earned more accolades than any other tour operator.

DAY 1 ARRIVE IN ATHENS, GREECE.

Welcome to Athens! At 6 pm, meet your Globus Host and travelling companions for a welcome drink.

DAY 2 ATHENS.

Sightseeing with a Local Guide features a visit to the world-famous ACROPOLIS, perched high on a rocky outcrop overlooking the city. Here, see the Parthenon, the Erechtheum with its Porch of Maidens, and the Temple of *Athena Nike*. Enjoy a panoramic view that includes glimpses of the Temple of Olympian *Zeus*, Theatre of *Dionysus*, and the beautifully preserved Theseum, where Socrates taught. Later, a city orientation tour features the Parliament House and a picture stop at the Panathenaic Stadium. Built in the 2nd century AD, it is the only stadium in the world built entirely of marble, and was host to the opening and closing ceremonies of the first modern Olympics in 1896. The rest of the day is at leisure. Tonight, why not try out local fare and entertainment reminiscent of *Zorba the Greek*? (B)

DAY 3 ATHENS-PIRAEUS/RAFINA (EMBARKATION)-MYKONOS.

Meet your Tour Director and head for the port of Piraeus or Rafina this morning. Around 7:30 am, sail into the deep-blue waters of the Aegean Sea. Later, dock at the mountainous island of Mykonos, where mythology's *Hercules* defeated and killed the giants. Here, characteristic windmills, swaying palm and eucalyptus trees, and dazzling white Cycladic architecture greet you. This evening, sample typical specialties, like *louza loukaniko* (sausage) and *kopanisti* (peppery goat cheese), then mingle with the locals at a quaint *taverna* or take a bus to the main square of Mando Mavrogenous. (B,D)

DAY 4 MYKONOS.

The granite island of Mykonos is one of the most characteristic of the Cyclades and has retained its timeless beauty. Walk through the network of narrow streets and see the Church of *Agia Kiriaki*, renowned for its beautiful icons, and also **LF** taste a traditional Mykonian dessert, *Amygdalota*. Stroll around the town's waterfront in search of *Petros the Pelican*, the island's celebrated mascot. Afternoon at leisure to relax or for individual activities. (B)

DAY 5 AT LEISURE ON MYKONOS.

Enjoy an entire day to do just as you please. Relax in the sun on one of the beautiful golden sandy beaches or take a short boat ride to see the archaeological ruins on the nearby island of Delos, a UNESCO World Heritage Site. WHAT TO KNOW BEFORE YOU GO

YOU ALWAYS KNOW WHAT YOU GET

OUR ITINERARIES TELL YOU EXACTLY WHAT'S INCLUDED

Read our tour descriptions and you'll understand the real value we offer. Each day's agenda is spelled out, with inside visits and special features indicated in UPPERCASE, so you know exactly what's included in the price.

HAND-SELECTED HOTELS

Excellent accommodations are vital to your enjoyment on holiday, and we're proud to be associated with some of the world's finest hotels, most of which are deluxe (D), superior first-class (SF), or first-class (F) hotels. Each hotel is rated by our quality controllers following standards set by the independent Hotel & Travel Index and by national tourist boards. Hotels are listed on itinerary pages, although it may be necessary to substitute with an alternate hotel of equivalent standard. Your Travel Documents will list hotel addresses with telephone and fax numbers, plus you can find more details on our website. Triple rooms are usually no larger than twin or double rooms. The additional bed is often a roll-away bed put in for the night. Three separate beds cannot be guaranteed.

INCLUDED MEALS

With Globus, mealtimes are designed to help you enjoy the best of each city along the way. Start each day of your holiday the right way—with an included breakfast! The type of breakfast you'll enjoy is specified in each itinerary. Lunch and dinner highlights are tailored to each holiday and may include welcome and farewell dinners, as well as lunches and dinners at local restaurants to give you a true taste of your destination. On all our included meals, whether at a local restaurant or at your hotel, enjoy a complimentary glass of wine, beer, soft drink, and coffee or tea! Plus, we give you freedom to take advantage of the best a city has to offer by not including lunches and dinners where dining locally is a major attraction.

NOTE: We typically cannot process requests for special meals. Some hotels and restaurants may be able to provide for a special diet—vegetarian, salt-free, etc.—but there is no way to guarantee this and, if available, there may be an additional charge associated. Please ask your Tour Director for assistance.

THE FINEST TEAM OF TRAVEL EXPERTS

With Globus, you benefit from the expertise we bring to every holiday. We set very high standards and are dedicated to selecting the right Tour Directors, Local Guides, and Local Hosts. These experts are from the region through which you're travelling, and they share their vast knowledge of the areas and help you maximise each moment. Beyond the professionals you meet on tour are the men and women working diligently behind the scenes. Our extensive technical support network carefully monitors holidays in progress, ensuring your trip goes smoothly and allowing us to deliver unique, quality travel experiences every time.

TRAVEL IN STYLE

When you step aboard your Globus private deluxe motorcoach, you'll be immediately impressed by the comfort and amenities: an emergency restroom; free Wi-Fi (where available); and reclining seats equipped with individual air-conditioning vents, high-fidelity speakers so you won't miss a moment of Tour Director commentary, and extra leg room. While other companies install and sell 53 seats, our average group size is just 36 travellers, so you'll enjoy more seat space. For the comfort of all passengers, our motorcoaches are non-smoking; however, there are opportunities to smoke during the frequent stops. We also have a custom of daily seat rotation to ensure everyone benefits from a variety of views.

You can also check out www.globus.com.au for tour availability, read about our range of optional excursions, find answers to frequently asked questions and pick up some great tips and hints for planning your holiday.

SAFETYNET PROTECTION POLICY

Globus is dedicated to ensuring your trip is worry and hassle free, even when booking. Should you be uncertain what your commitments will be leading up to

your departure, Globus offer a SafetyNet Protection policy*, for \$75 per person (payable at time of deposit).

The SafetyNet Transfer Protection* enables Globus passengers to amend their tour up to 24 hours prior to the commencement of services to another tour departing in 2020, (once only) without any applicable cancellation charges or penalties. OR you can utilise The SafetyNet Cancellation Protection* which enables Globus passengers to cancel their tour in full – up to 30 days prior to the commencement of services in 2020, without any applicable cancellation charges or penalties.

*CONDITIONS OF THE SAFETYNET PROTECTION POLICY

The \$75 SafetyNet Protection must be paid at the time of the tour deposit and is payable per person per booking (not per tour) and is non-refundable.

The SafetyNet Transfer Protection and SafetyNet Cancellation Protection applies to the tour, associated pre/post accommodation and transfers booked directly with Globus. The SafetyNet Protection does not apply to any airfares booked and ticketed via Globus, or any products purchased via another wholesale or retail supplier. The SafetyNet Protection does not apply to any service charge or cancellation fee charged to you by your Travel Agent.

Passengers can only use "one" of the two SafetyNet Protection Policies; choose either the SafetyNet Transfer Protection, or the SafetyNet Cancellation Protection, not both. For example: if a passenger uses the SafetyNet Transfer Protection to amend their 2020 tour (say 48 hours prior to the commencement of services) to a later 2020 Globus tour departure date, they then cannot use the SafetyNet Cancellation Protection to cancel their Globus tour in full without incurring the applicable cancellation charges or penalties – as per the 2020 Globus brochure terms and conditions.

If the SafetyNet Transfer Protection is applied and the booking is subsequently cancelled by the passenger, the original booking and transfer date will be reviewed and transfer date of the original booking will then be taken as a tour cancellation date. Cancellation penalties that apply to the original booking will be compared with the cancellation penalties of the tour-transferred booking, and the higher penalties will be applied.

NOTE: SafetyNet Protection must be purchased for each individual passenger, and the purchase covers an individual passenger's Globus tours booked at the same time the SafetyNet Protection is purchased.

YOUNG TRAVELLER RESTRICTIONS & DISCOUNTS

- Travellers who are under 18 years old on the departure date must be accompanied by an adult throughout the holiday and are requested to share an adult's accommodation.
- Children under 8 years of age are not allowed on any Globus holiday, except if purchasing the tour as Private. For any special requirements regarding airline tickets for children, contact your airline directly.
- The following young traveller discounts apply to Globus holidays. Special discounts may be available for tours booked as Private and will be communicated at time of booking. - On Monograms holidays, young travellers 12-17 receive a 10% discount on the base land price, and young travellers 2-11 receive a 25% discount on the base land price. Young travellers under the age of 2 are free of charge and require payment directly to the hotel for necessities (e.g., crib).

AIR ARRANGEMENTS

- If airfares have been purchased through The Company, please note that all carriers are independent operators and are not owned, managed, or operated by The Company. Your airline ticket is a contract between you and the air carrier only, even if you purchase through The Company. By purchasing your air services through The Company, you waive all liability for The Company for such air services.
- The Company is not responsible if an airline cancels, reschedules, or delays a flight for any reason. If you purchased air through The Company, we will try to assist in making new arrangements, providing you have not already checked in with your airline for your first flight segment. After check-in, you must work with the airline directly to reach your destination or to make any alternate arrangements, including amendments to return services. Airline fees often apply for modifications to air schedules not related to airline imposed flight cancellations, reschedules, or delays. These fees will be payable to the airline directly at time of request.
- If you miss your departure flight or connection, it is your responsibility to work with the airline on which you are ticketed to reach your destination. No refunds will be provided by The Company for portions of trips missed due to cancelled, rescheduled, or delayed flights after airport check-in, nor is The Company responsible for any additional expenses you may incur prior to joining your trip if you miss your departure flight or flight connection.
- For air purchased through The Company, if any air schedule requires an overnight stay in a gateway city, The Company can assist you with hotel reservations; however, the cost of the overnight stay (including but not limited to hotel and meals) is your expense. Air routings are subject to availability. Routings are not guaranteed and are subject to change at any time.
- If you make your own flight arrangements, The Company will not be responsible for any loss resulting from cancellation or changes in international gateways, itineraries, or travel dates. We recommend that you do not purchase airline tickets with high penalty charges for changes.

AIR-INCLUSIVE HOLIDAYS & FINAL PAYMENT

- Additional deposits or payments are required for international air added to the start and/or end of your holiday and/or for intra-holiday air, as specified in the itinerary ("air-inclusive holidays"). Air-inclusive holiday pricing is guaranteed upon receipt of tour deposit plus full airfare payment, subject to airline conditions.

AUTHORITY TO REMOVE OR REFUSE PASSENGERS

- In the sole discretion of The Company, The Company may refuse transport to any passenger or may require any passenger to leave the tour if it is reasonably believed that the passenger (1) is dangerous to others or to himself or herself; (2) has engaged in, is engaged in, or is threatening to engage in behaviour that may adversely affect the safety, security, comfort, enjoyment, or well-being of other passengers or Globus representatives, including, but not limited to, behaviour that is disruptive, verbally abusive, physically abusive, obnoxious, harassing, discriminatory, or obscene; or (3) has failed or refused or is failing or refusing to following The Company rules and procedures or the instructions of Globus, its representatives, or the crew members. In the event a passenger is removed, such passenger may be left at any city without any liability to Globus or its representatives. The Company shall not be required to refund any portion of the fare paid by any passenger who is removed under the terms of this paragraph, nor shall The Company be responsible for expenses for lodging, medical care, meals, transportation, or any other expenses incurred by the passenger. The Company shall be entitled to recover from the passenger any costs or expenses incurred by The Company, its representatives, or the crew members in the removal of the passenger or the exercise or enforcement of this clause.

BAGGAGE ALLOWANCE & LIABILITY

- Porterage at hotels for one suitcase per person is included in the holiday price (where available). Airport/train station porterage is not included, unless otherwise specified in your Travel Documents. Be prepared to carry your own suitcase on and off airplanes and trains and through airports and train stations. Regulations within most airports require passengers to handle their own luggage through Immigration & Customs.
- Your single bag should have dimensions not exceeding 76x53x28cm (30"x21"x11") and weight not exceeding 22kg (50lbs). We regret that we are unable to accept a second suitcase or any luggage exceeding these limits on any Globus holiday. Some holidays have more restrictive regulations than those listed above. Refer to your Travel Documents for more information.
- Air carrier restrictions may vary from the limitations listed above. Size and weight limitations for carry-on and checked baggage vary from airline to airline and even according to destination. While making an air-inclusive booking, you will be provided with baggage fee information. After booking an air-inclusive booking, up-to-date information on carrier specific standard checked baggage allowance (including size and weight limitations), the standard allowance (and fee, if applicable) for carry-on baggage, and the standard fee for the first and second checked bag, along with the information about additional discounts that may apply depending on flyer-specific factors (e.g., frequent flyer status, military, credit card used for purchase, or early purchase over the Internet, etc.) can be found on the carrier's website or by accessing iflybags.com. The Company is not responsible for additional fees imposed by air carriers for baggage, and these fees are not included in the air-inclusive holiday price. You will be required to pay these fees directly to the airline at check-in.
- No responsibility is accepted by The Company for loss of or damage to baggage or any of the traveller's belongings throughout the duration of the holiday. Travellers are strongly encouraged to not bring valuables such as jewellery and large amounts of cash. Any such valuables should not be left in baggage out of the control of the traveller. Baggage insurance is highly recommended.
- Carry-on bags should not exceed the dimensions of 30x28x14cm (12"x11"x6"). For safety reasons, wheeled carry-on bags are not suitable as hand luggage on motorcoaches and mini-buses. Carry-on bags must be small enough to store in overhead bins or under the seat in front of you on motorcoaches and other transportation.

DATA PROTECTION

- The Company is committed to the privacy of both existing and prospective clients. The Company respects and shares concerns of our clients over the protection of their personal information. It is for this reason that The Company adheres to the provisions of the Privacy Act 1988 (Cth). Please visit globusfamily.com.au to view our Privacy Policy, which

includes the name of the agency that will collect and hold your personal information and details to contact our privacy officer should you wish to access or request correction of your personal information.

- Some local and foreign government agencies require The Company to collect and pass on in advance of travel certain personal and other details related to you, including but not limited to government-issued identification and passport details. If you fail to supply the details, as requested, fully and accurately, your trip may be interrupted or cancelled. There are no refunds for failure to provide documentation or failure to provide documentation by the time required.

- We will use your personal data secured during your booking or during online check-in to process your booking with our suppliers. These details include your full name, address, date of birth, passport number and expiration date, occupation, credit/debit card information, and any disability, medical conditions, or dietary restrictions disclosed to The Company for you and all in your travelling party.

- It may be necessary to transfer these details to other countries or authorities whose data protection and privacy laws may be different than ours. This may include requirements to pass details to our suppliers as well as certain governments or government-appointed bodies or agencies in the interest of security or because we are obliged to by law. By making a booking with The Company, you agree to The Company storing, using, and passing on this data to other third parties for reasons as stated above, and hold The Company not liable for the usage and protection of that data.

EMERGENCY CONTACT DETAILS

- All passengers must provide emergency contact details, travel insurance information and passport or government issued ID information (when required) PRIOR TO TRAVEL. This includes a "Local" contact so that The Company can get in touch with friends or family in the rare case of an emergency as well as an "On Tour" contact, i.e. mobile phone number or email address, for use by the Tour or Cruise Director. Emergency contact details should be provided by creating a customer MyAccount at www.globusfamily.com.au and following the instructions given.

ENGLISH

- All Tour Directors, Local Hosts, Local Guides, and ships' crews speak English, and all holiday commentary and instruction are conducted in English only. For maximum enjoyment and understanding, you should be able to read, understand, and speak English.

FORCE MAJEURE

- The Company assumes no liability for any loss, damage, or entry of any nature in whole or in part resulting from an Act of God or any other force majeure condition, including without limitation: fire, volcanic eruption, environmental pollution or contamination, inclement weather, earthquake, low or high water levels, flood, water or power shortages or failures, tropical storms or hurricanes, riots or civil commissions or disturbances, and any other acts of a similar nature, sabotage, arrests, strikes or labour disruptions, restraint of rulers or peoples, expropriations, acts of terrorism, war, insurrection, quarantine restrictions, government health advisories or warnings or alerts of any kind of nature, government seizures, refusal or cancellation or suspension or delay of any government authority or any license, permit or authorisation, damages to its facilities or the travel supplier and its facilities, or any other unforeseen circumstances or any other factors unforeseen by The Company that impacts negatively on, or hampers, its ability to fulfil any of its contractual conditions. In the event that any of these conditions apply, The Company shall be excused, discharged, and released from performance to the extent such performance is so limited or prevented, without liability of any kind.

FREQUENT FLYER & HOTEL REWARD PROGRAMS

- Frequent Flyer mileage accrual is at the discretion of the airline(s), and is not always granted for airfare purchased through The Company. You will need to contact the airline(s) directly for information on Frequent Flyer programs and any applicable reward mile accrual. The Company cannot assist with this process. Cancellation penalties, as noted above, will apply to all airfare, regardless of accrual grants. Take this into consideration before purchasing airfare.
- Hotel rewards/points cannot be earned or redeemed with hotels used by The Company.

GRATUITIES

- If you have prepaid your gratuities to your Tour/Cruise Director and Driver or if they are already included in the price of the holiday, this will be detailed within your Tour/ Cruise Member Certificate and vouchers will be included within your Tour Documentation. Please note that included gratuities for Globus cover wait staff at included meals, hospitality staff at hotels for nights purchased through Globus, porterage at hotels for one suitcase per person, the cruise director, crew, local guides and local drivers and the cruise portion only; prepaid gratuities cover only the land portion operated by The Company of the tour itinerary. Where The Company sources other leading operators for cruising or rail elements of your holiday, the option to prepay local gratuities is not available.

HOLIDAYS & SPECIAL EVENTS

- During local or national holidays or special events, peak seasons, on Sundays, and during religious occasions, certain facilities such as museums, churches, restaurants, sightseeing tours, hotels, and shopping may be limited or not available. Alternatives will be offered whenever possible. The Company cannot be held responsible for any closures, necessary itinerary changes, or curtails for any reason.

- Christmas markets generally open in late November and close around the third week of December.

HOTELS ACCOMMODATIONS & TRANSPORTATION

- The hotels listed on the website or in the brochure are intended to be used on all departures; however, hotels are not guaranteed. The Company reserves the right to substitute other hotels than those listed on the itinerary pages. If a change becomes necessary for any reason, including alternate hotels for additional departures on the same date, or hotel location changes within or outside itinerary cities, the hotel substituted will be of equivalent quality to those shown. No refunds are provided for hotel changes; full cancellation penalties, as noted above, apply.

- The Company contracts twin-bedded rooms. Double-bedded rooms may be requested, but are never guaranteed. Triple rooms are the same size as twin-bedded rooms and are at the discretion of the hotel. Triple rooms will have beds to accommodate three people, but three separate beds cannot be guaranteed. If there are only two beds, a roll-away may be requested but cannot be guaranteed. The additional bed, if available, is often a roll-away bed put in for the night, or a convertible sofa bed. Some hotels do not offer triple rooms. When a triple room is not available, hotels in some cases may provide one twin-bedded room and one single room.

- Payment for a single supplement ensures your own room, not necessarily a twin bedded room. Single rooms in hotels are generally smaller in size and may be less conveniently located. On overnight ferries, single cabins may not be available or are limited and singles may be asked to share. On cruises, staterooms are subject to change and are finalised upon embarkation.

- Accommodations outside your home country may not accommodate wheelchairs or be wheelchair accessible. See the TRAVELLERS WHO NEED SPECIAL ASSISTANCE ON TOUR AND/OR CRUISES clause below.

- Room and bed preferences are not guaranteed.

- Check-in times vary worldwide; The Company cannot control or guarantee check-in times.

- Air-conditioning in hotels is not guaranteed and is dependent upon local and national laws and regulations. Though hotels may have air-conditioning as a listed amenity, the usage of air-conditioning is often not available at night or in the off-season. Other restrictions may apply. The Company has no control over air-conditioning restrictions and regulations.

- In the rare event included train or air services are unavailable, alternate services will be provided. Itinerary timings are approximate, and are subject to change.

INSECTICIDE

- Some countries may require aircraft cabin insecticide treatment for inbound foreign flights. For more information about aircraft disinfection requirements and a list of countries requiring disinfection of inbound flights, visit <https://www.transportation.gov/airconsumer/spray>.

MEDICAL & HEALTH

- The Company does not employ medical personnel. The Company cannot guarantee the availability of medical facilities or for the quality of the care or services. Any medical attention you require while travelling with The Company must be sought through a local medical facility, if/ when available, for diagnosis. All related charges are at your expense.

TERMS & CONDITIONS CONTINUED

TERMS & CONDITIONS CONTINUED

60. The Company reserves the right to remove or quarantine any passenger who shows signs of illness, or who poses a threat to the safety and health of other passengers. Removal or quarantine of passengers for any health, safety, or behaviour-related assessment is at the sole discretion of The Company. Any costs incurred for medical assessments, diagnosis and/or any other medically-related charges are your responsibility to pay and are due at time of services. Passengers will be allowed to rejoin The Company's tour with confirmed medical certification from a licensed health practitioner indicating fit to travel without causing harm or posing a safety threat to other passengers.

MOTORCOACHES

61. Globus follows a mandatory, daily seat rotation on motorcoaches. For the enjoyment of all passengers, you must adhere to the rules of the Tour Director regarding seat rotation. Alcohol consumption is not allowed on board Globus transportation.

62. Many local laws require the use of seatbelts while travelling. When seatbelts are provided, you are responsible for wearing your seatbelt. The Company is not liable, nor are our service providers, for any injury, loss, damages, claims, or death resulting from any accident or incident if you were not wearing your seatbelt at the time of the accident or incident when the motorcoach is equipped with them.

OPTIONAL EXCURSIONS

64. Optional excursions ("the Services") available for booking are provided by local operators or other third parties that are entirely independent of The Company and do not form any part of the product or services sold to you by The Company or of these Terms & Conditions, even where The Company suggests particular operators/other third parties and/or assists you in booking such optional excursions. Your contract for such Services will be with the organiser or operator of that Service, and will be subject to its Terms & Conditions, which may contain exclusions or limitations of liability. The Company has no liability for any such optional excursion or for any act(s) or omission(s) of the organiser or operator or for any of its employees or agents or any other person(s) connected with the optional excursion.

65. Any advice or assistance on or with any Service provided by any local representative does not mean or imply that the Service is sold, supervised, or controlled by The Company, or that any such advice or assistance is given on behalf of The Company. Holiday participants are asked to check with the operator of any optional excursion and the applicable Terms & Conditions before booking.

66. For operational reasons, not all optional excursions listed in the itinerary, in print, online, or in Travel Documents may be available during your holiday. Your Tour Director will advise of availability while on the tour.

67. Optional excursions may be purchased 90 days in advance of travel via MyAccount. Booking conditions apply (refer to MyAccount Terms & Conditions).

PHOTOGRAPHS & PICTURES

68. Photographs or pictures appearing in this brochure should be used solely as an indication of facilities and attractions. Actual facilities and attractions may vary according to itinerary. Maps shown on the holiday pages are current at the time of printing and may not reflect the actual routing should the itinerary change.

PRICE POLICY

69. All holiday prices are based on rates (reflecting foreign exchange rates) known at the time of publication and expected to be in effect at the time of departure, and do not include airfare, except where noted on specific itineraries. Holiday prices are per person, based on double occupancy (two people sharing a room). Single room supplements

and triple reductions are listed where applicable. Not all accommodation types are available on all holidays.

70. Prices are subject to change without notice, subject to the guarantees set forth below.

71. Once The Company has received your full land deposit for any cruise holiday, that land price is guaranteed and you are protected against any base land or cruise price increase due to currency surcharge. Any subsequent land or cruise cost increases are at The Company's expense, not including energy cost increases and/or any government tax increases.

72. Pricing for air-inclusive holidays, including those with intra holiday air, are guaranteed when The Company has received your full land plus air payment, as noted above; thus, any subsequent revisions made at your request are subject to airline-imposed change fees, cancellation fees, and/or changes in airfare price, which are your responsibility to pay.

73. See above for holidays with itineraries noted "subject to change".

REFUNDS

74. Any request for refunds is subject to these Terms & Conditions; no refund will be made for unused services, for unused transportation where group activity tickets are involved, or for voluntary modifications made by the passenger. For Private Touring, changes made at your discretion en route to tour features or tour services (e.g. meals, included sightseeing, etc.) are not refundable nor exchangeable for other services. Airport transfers are complimentary with air booked through Globus on qualifying flights and dates. Customers not using the included transfer will not be given a cash equivalent or holiday price reduction.

REVISIONS & REVISION FEES

75. In addition to any airline-imposed change fees, a fee of \$30 per person will be charged by The Company for any alteration or revision made to a reservation after deposit is received. Any revision to a booking, including but not limited to flight cancellations or name changes, may result in the loss of confirmed airline reservations or increased airfare, which will be payable by you. Additional airline and hotel charges may also apply and may be up to 100% of the full price.

76. Intra-holiday air and hotel penalties may also apply to alterations or revisions to a booking, and may be up to 100% of the full price.

77. A change of traveller name, holiday date, or itinerary within final payment will be treated as a full cancellation and new reservation; holiday and airfare cancellation fees, as above, apply.

The Company will not have liability regarding provision of medical care or the adequacy of any care that may be rendered. While The Company will use its best efforts to ensure that adequate measures are taken, by agreeing to participate in a holiday and/or optional excursions, you agree that you will hold The Company harmless regarding any provision of medical care or the adequacy of any care rendered. The Company is not responsible for such risks and dangers that may arise beyond our control. Payment of your deposit indicates you accept these risks and dangers and agree to hold The Company harmless for such.

TOUR CANCELLATIONS

85. The Company reserves the right to cancel or reschedule any holiday departure for any reason, including insufficient demand or force majeure (see section 44 above). If a holiday is cancelled prior to departure, The Company' only responsibility will be to refund the amount received for the reservation. The Company will try to rebook the same holiday with a different departure date, or a similar holiday, but there is no guarantee of availability of offering. For air inclusive holidays, Globus will try to confirm air schedules for the selected new dates, subject to availability. Globus cannot assume responsibility for any additional costs or any fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through The Company.

TRANSFERS

86. Unless otherwise specified, transfers arranged by The Company are provided by independent transportation suppliers and are group transfers operated by motorcoach and may have pre-set departures times. Missed transfers are non-refundable.

Escapes by Globus documents are only available electronically.

88. Due to heightened security, many countries have adopted practices to prevent international abductions of children. If a person under the age of 18 years will be travelling with an adult other than his/her parents, or with only one parent, it is recommended that a notarised letter be written by the parents, or non-travelling parent, granting authorisation to travel, including the dates of travel. We suggest that you also contact the appropriate consulate and airlines because they may have additional requirements or recommendations.

TRAVELLERS WHO NEED SPECIAL ASSISTANCE ON TOUR AND/OR CRUISES

89. You must report to The Company any disability requiring special attention while on tour or on cruise at the time the reservation is made. The Company will make reasonable efforts to accommodate the special needs of disabled passengers, but is not responsible in the event it is unable to do so nor responsible for any denial of services by air carriers, hotels, restaurants, or other independent suppliers. The Company does not provide personal services (such as pushing a wheelchair, assisting with walking, etc.) and The Company does not provide individual assistance to a tour or cruise participant for walking, dining, getting on and off coaches, cruise ships, and other vehicles, or other personal needs. A qualified and physically able companion should accompany passengers who need such assistance.

90. If we are not notified at time of reservation of any disability requiring special attention, The Company reserves the right to cancel your booking or terminate your holiday if your special needs or disabilities are not suitable for the holiday, pose a threat to the health and safety of other participants or personnel on board the vessel, are incompatible with other passengers, or if you are not travelling with a companion who provides all the assistance you require. The Company will not refund or cover any costs or expenses incurred for cancellation, booking, or termination of the holiday. Cancellation penalties, as above, apply.

91. Not all sightseeing stops/sites accommodate wheelchairs, and some locations and sightseeing activities require extensive standing, sitting, or walking—sometimes on unpaved or cobblestone streets. The Company will not refund or cover any cost or expense incurred for any missed activities due to a participant's inability to fully participate with the group. Most transportation services, including the touring motorcoaches and cruise ships, are not equipped with wheelchair ramps. Although some of our ships have elevators, many of our small ships do not. Passengers requiring ship elevators should inquire before making reservations.

92. Motorised scooters and motorised wheelchairs are not permitted on Globus tours. Arrangements cannot be made to carry or use these on tour or cruise and if you bring one, you will be asked to make alternate arrangements for transporting the scooter to your end destination at your expense.

93. Dietary requests and preferences must be provided to Globus at the time of booking. Generally, special dietary or meal requests cannot be processed and are subject to availability at the hotel or venue. There is no guarantee of availability, and there may be an additional charge associated with such request, which is payable by you at time of service.

HOLIDAY ACCEPTANCE

94. Acceptance on the holiday is subject to presentation of your Tour / Cruise Member Certificate, which details the services you have purchased from The Company and which will be available in your final Travel Documents.

VISAS & PASSPORTS

95. It is your responsibility to verify all visa and passport requirements necessary for your holiday. You are responsible for obtaining independently and paying for all visas and entry documents, for meeting all health and other requirements, and for any documents required by the laws, regulations, orders, and/or requirements of the countries you will visit. The Company cannot accept liability for any passenger refused entry on any transport or into any country due to failure of the passenger to carry correct documentation or adhere to specific entry and exit requirements.

96. You must have a passport to travel internationally. Most countries require that the passport be valid for at least six (6) months beyond the conclusion of your trip. It is recommended you have a minimum of three blank pages in your passport when travelling. Multiple-entry visas are required for some holidays. The process of obtaining a visa and/or passport can take up to three months or more.

WAIVERS

97. During the course of your cruise, tour, or excursion, you may encounter the opportunity to participate in additional, optional activities that are provided by independent third-party suppliers. The suppliers of those optional services may render those services subject to separate and additional terms and conditions, or may require you to execute additional documents, waivers, or releases. It is understood that any assumptions of liability, waivers, or releases that are part of the suppliers' terms and conditions or that are required by those independent suppliers will also inure to the benefit of Circuit Travel Pty Ltd, Avalon Waterways, Globus, Cosmos and Monograms.

WI-FI

98. Wi-Fi connectivity on transportation provided by The Company (for tours where Wi-Fi is available on the motorcoach) is provided by an independent third party with separate Terms & Conditions of usage and acceptance thereof. These can be found online or will be made available upon request. Wi-Fi connectivity is not always guaranteed, and is often may be disrupted, unavailable, and slower on board than you are accustomed.

TERMS & CONDITIONS CONTINUED

RESPONSIBILITY

99. Circuit Travel Pty Ltd, is an independent company ("The Company") licensed to market and distribute travel products under the Avalon Waterways, Globus, Cosmos, and Monograms brand names, and arrange for the holiday services offered on this website, including transportation, sightseeing, and accommodations through independent contracts.

100. Subject to clauses 64 - 65 above, The Company is responsible for providing the services described in this brochure, including arranging transportation, sightseeing, and accommodation as described. All references to The Company include its agents and employees.

101. Air carriers, accommodations, and other suppliers (including but not limited to trains, cruises, ferries, motorcoaches, hotels, and restaurants) providing services are independent contractors and are not agents, employees, servants, or joint venturers of The Company or its affiliates. From time-to-time, and for the purpose of identifying those independent third-party suppliers of services as the provider of a component or part of a Globus tour, cruise or package, some or all of those entities may utilise the name "Globus" on promotional media, signage, or attire. Although you may see the name "Globus" on vehicles, signs, apparel, or elsewhere during your cruise, tour, or excursion, its use by third-party suppliers is solely for the purpose of identification and does not represent or signify in any way ownership, management, supervision, or control by The Company of services that are provided by independent third party suppliers or of the employees, servants, or agents of the third-party suppliers. All certificates and other Travel Documents for services issued by The Company are subject to the Terms & Conditions specified by the supplier, which are available upon request, and to the laws of the countries in which the services are supplied.

102. The international carriage of passengers is subject to international conventions and treaties. These international conventions and treaties limit and, in some events, exclude the carrier's liability to travellers. Where any claim or part of a claim (including those involving death or personal injury) concerns or involves any travel arrangements (including the process of getting on or off the transport concerned) provided by any air, sea, inland waterways, rail, or road carrier or any stay in a hotel, The Company's maximum liability is the maximum which would be payable by the carrier or the hotel keeper concerned under the applicable international convention or treaty applicable to the travel arrangements or hotel stay. International conventions and treaties that may apply include: the Montreal Convention (1999), the Convention for the Unification of Certain Rules Relating to International Carriage by Air, signed at Warsaw, 12 October 1929 (the Warsaw Convention), the Warsaw Convention as amended at The Hague on 28 September 1955 and the Warsaw Convention as amended at The Hague and by Additional Protocol No. 1, 2 or 4 of Montreal (1975) and the EU Regulation on Air Carrier Liability for air carriers with an operating license granted by an EU country, in relation to air travel; the Berne Convention for rail travel; Athens Convention 1974 for carriage by sea; the Geneva Convention for carriage by road and the Paris Convention 1962 for hotels.

103. Booking and payment for a tour shall constitute agreement and acceptance by the passenger of these terms and conditions which cannot be varied except in writing by an officer of The Company.

104. After departure, if the services included in the holiday cannot be supplied, or there are changes in an itinerary for reasons beyond the control of The Company, The Company will arrange for the provision of comparable services wherever possible. Any resulting additional expense will be payable by travellers and any resulting savings will be refunded by The Company to travellers.

105. The Company reserves the right to accept or reject any person as a traveller, to expel any traveller from the holiday, to make changes in the itinerary whenever The Company deems it necessary for the comfort, convenience, or safety of travellers, and to cancel a holiday at any time in accordance with operational requirements or circumstances beyond its control.

106. Notwithstanding anything contained in these conditions, The Company shall continue to be subject to any guarantees provided by the Competition and Consumer Act 2010 and the Australian Consumer Law (the Act) if and to the extent that the Act is applicable to these conditions and prevents the exclusion, restriction and modification of such guarantees.

107. The Company excludes all liability including liability for any loss, damage, costs and expenses whatsoever (including personal injury, death, and property loss) that may arise in connection with or arising out of your holiday and liability under implied conditions, and warranties and guarantees except any guarantees, the exclusion of which would cause this Clause to be void, such guarantees being referred to in these conditions as "non-excludable guarantees".

108. The Company limits its liability to you for breach of any nonexcludable guarantees to the supplying of the service again or the payment of the cost of having the service supplied again, as determined by The Company.

109. You agree that neither The Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss) or expense occasioned by any act or omission of any Supplier providing services, or of any insurer or insurance administrator, or of any other person.

110. Legal proceedings against The Company may be instituted only in a court within the State of New South Wales, and any claim involved in such proceedings shall be decided in accordance with the laws of the State of New South Wales. Neither The Company nor any affiliate shall in any case be liable for other than compensatory damages, and you hereby waive any right to punitive or aggravated damages. No person, other than an authorised representative of The Company by a document in writing, is authorised to vary, add, or waive any term or condition in this brochure website, including any term or condition set forth in the preceding provisions.
