Here's just **five of over 10,000 reasons** why our guests keep coming back for more:

“

### DANNY, OUR TOUR GUIDE WAS AMAZING!

His knowledge of Peru was outstanding and it was like taking a tour with a good friend. He was extremely patient, well organised, and on top of everything. **The itinerary was well thought out and maximised the most of our time in Peru.** I've done a fair amount of travelling, but this was the first time I did a tour. I have no regrets and I would definitely book with Cost saver again! I loved how everything was taken care of for us. From the transportation to and from the airport, to baggage collection between flights from one location to the next, to any tickets we needed, **Danny, our tour guide, took care of everything.** It allowed me to thoroughly enjoy the entire trip and not have to worry about any of the planning behind the scenes

PERU EXPLORER

Brandon O. from USA

“

### AMAZING TRIP WITH BREATHTAKING NATURE

experiences, delicious food, & fantastic hotel choices.

**We had the time of our lives and would go back in a heartbeat.**

I've been recommending to all of our friends. Great memories made while zip lining, horseback riding, hiking in the rain, touring El Trapiche and relaxing in hot springs. Loved it!

COSTA RICA ADVENTURE

Megan F. from USA

“

### OUR TOUR DIRECTOR ROBINA WAS EXCELLENT.

Nothing was too much for her, she was amazingly attentive to all the passengers on the bus.

Very bubbly personality, always smiling and **it is clear she absolutely loves her country and her job.** Al the bus driver again I could not fault him, he often shuttled us around to and from town. The bus was immaculate and I remember looking outside my hotel window late one afternoon to see him washing the bus after a very long days drive. **From start to finish the tour, including the amazing cruise, was wonderful.** I especially liked how we stayed 2 days in each area. Plenty of time to explore or do optional extras. There were lots of eating options and our tour Director always had good ideas on where to eat and very reasonably priced. Much better than a previous tour I went on where meals were included.

WONDERS OF THE CANADIAN ROCKIES WITH ALASKA CRUISE

Joanna W. from Australia

“

### BOTH THE TOUR DIRECTOR DREW AND DRIVER JULIO WERE EXCELLENT,

always looking out for the people on tour. I would definitely recommend it and will look to travel with them again

SPECTACULAR CANYONS AND NATIONAL PARKS

Saul from USA

“

### THE TOUR GUIDE AND BUS DRIVER WERE GREAT.

Saw many things and loved the trip. It's the people that make the trip and was with a great group.

## register for your trip

### get ready to go

Every travel moment counts. To ensure you have a total stress-free holiday and that we can contact you in the unlikely event of an emergency, we require all guests to register before they travel. You can complete this online in a few short minutes by simply providing the following details.

1. Your contact details, including an email address and mobile number that you will be travelling with.

## e-documents

### download and not print

- ☒ Documentation will then be available approximately 21 days prior to departure on your MyCostsaver.

## gold seal protection

**Costsaver's Gold Seal Additional Protection plan costs only A\$99 per person (payable with your deposit only) and includes:**

### on your holiday

Should you, or your travel companion, leave at any time during the trip for personal sickness reasons or be required to return to Australia due to injury, illness or death of an immediate family member, you and your companion will be refunded up to A\$90 per person, per day for the unused portion of the holiday (note that in some cases, hotels require a one-night cancellation fee). A medical certificate is required.

### return flight security

If you or a member of your direct family in Australia should fall sick\* while you are on your Costsaver guided holiday, we will take care of the additional cost of tickets for your earlier or later return home in the same booking class of air travel on the first available flight, provided you hold round-trip tickets on Costsaver's recommended airline(s) booked through Costsaver from Australia.

### pre-paid cancellation option

Your deposit and/or payment to Costsaver will be refunded in full or you will have the option to carry it over to another Costsaver or TTC holiday should you cancel your holiday for any reason prior to 30 days from departure date from Australia. This cancellation option covers land arrangements made by Costsaver only.

If the Australian Government DFAT advice for the destination changes to "Reconsider the need to travel" or "Do not travel" you may have your deposit and / or payment refunded at any time prior to tour commencement or you will have the option to carry it over to another Costsaver or TTC holiday.

Prior to departure from Australia your airfares are not covered by Gold Seal. We recommend you take out Covermore Travel Insurance specifically covering the value of your airfares should you cancel your holiday (Please review Covermore terms and conditions around cancellation cover). We are happy to help you with arranging that travel insurance. Any rebooking costs of airfares prior to departure are not covered by Gold Seal.

Cancellation option fee is not refundable for any reason. Please note that travel agent fees and cancellation fees may apply. \*Medical certificates as proof of all illness claims must be supplied.
