Life happens. If you are forced to cancel your booking, instead of losing your deposit, we will keep it as a credit. We'll honour this amount on any future trip, for up to five years.

Young Travellers must be aged 5 -17 at time of travel. Triple rooms are suitable for two adults and one child (three adults may find rooms too small as they often have one double and one foldaway bed and limited suitcase space). Deposit protection travel credits can only be redeemed once per person and a limit of one trip credit applies. Does not apply if you previously received a full refund. Departure Date The departure date is the date indicated on the booking confirmation.

Passenger Information It is important that the following information is provided and accurate at the time of booking: full name (as per passport), room requirements and departure date. CostSaver pricing is subject to change. The price of the holiday will only be confirmed at time of booking. Due to changes in availability and costs any amendment after booking may increase the cost of your holiday which you will be liable for in addition to any amendment fees.

Security Security is a major concern to all of us and the situation globally is constantly changing. Events around the world, coupled with the "Travel Advisories" put out by various governments, may at times necessitate changes to the accommodations and itinerary or even trip cancellation. You must accept these risks involved in travel to any country that may experience security difficulties and accept responsibility for your own travel decisions.

WHAT'S INCLUDED IN THE GUIDED HOLIDAY PRICE

Inter-city Travel By private motorcoach, trains, cruises and ferries (see itineraries).

Air Transportation Not included unless otherwise outlined in each itinerary page price panel.

Guided Holiday By air-conditioned luxury motorcoaches. On London sightseeing and some Regional holidays, including the Middle East and Morocco motorcoaches without toilet facilities are used. If due to circumstances beyond our control motorcoaches are used otherwise than as advertised, a refund of $10 per person will be made.

Toilets may be affected by higher altitude or extreme weather conditions such as freezing temperatures and for the comfort of those on board the motorcoach the toilets may have to be closed. In these circumstances additional rest breaks will be incorporated into the itinerary.

Hotel Accommodation Prices are per person, based on two persons sharing with private bath or shower. Triple rooms may be available on selected holidays in limited numbers. Triple rooms will often feature one fold-away bed plus one double bed. Three adults may find these rooms small and suitcase space slightly restricted. They are generally more suitable for two adults and one child. Rollaway beds are not included in triple prices.

Every effort has been made to reserve two-bed rooms, however, on some occasions, rooms with one double bed may be the only choice available. These rooms will be allocated to single travelers and couples first; other rooms may feature a single bed and a sleeper bed, murphy bed or sleeper sofa. A limited number of twin-bedded are available with our Shared Rooming service. CostSaver shall not be responsible or liable for any claims or issues arising out of the roommate pairing. Special room requests (adjacent, connecting or lower-floor rooms, as examples) must be made at time of booking. Special room requests are not guaranteed and are based on availability at time of check-in. Many hotels are 100% smoke-free, including all guest rooms, restaurants, lounges, meeting rooms and public spaces. Smoking in a non-smoking room may result in a fine. Substitute hotels may be used sometimes. We try to use hotels of similar standard. Hotel Frequent Traveler program points are not earned with hotels on CostSaver holidays.

Note hotel room sizes, standards, facilities and services provided may vary from country to country and region to region and are often local in style.

Cruises Per person prices are based on two persons sharing a cabin with two berths, private shower and toilet. A limited number of single cabins are available at an extra cost.

Free WiFi Internet Service Complimentary WiFi service is available in many CostSaver hotel guestrooms and/or the public areas of most hotels. In most countries, complimentary WiFi is also provided on-board the motorcoaches except in remote locations. The WiFi on the motorcoaches uses the mobile phone network and as a result the connection will be slower than standard broadband and at times may not be available. Audio and Video streaming is not available using motorcoach WiFi. Please note that it is not available on train trips, or when the main CostSaver motorcoach is not being used, such as on transfer motorcoaches and other local services. For further information on which countries WiFi is offered in as well as daily data allowances please refer to the Trafalgar website www.trafalgar.com/wifi

- Contact your Travel Agent, airline or relevant government authorities to obtain the necessary travel information.
- The Operators and/or their employees and their agents are not responsible for passport, visa, entry, health and other requirements of the countries visited, or for any loss sustained by you for failing to comply with laws, regulations, orders and/or requirements of countries visited.

COSTSAVER'S GOLD SEAL **ADDITIONAL PROTECTION**

CostSaver's Gold Seal Additional Protection plan costs only A$99 per person (payable with your deposit only) and includes:

ON YOUR HOLIDAY

Should you, or your travel companion, leave at any time during the trip for personal sickness reasons or be required to return to Australia due to injury, illness or death, you and your companion will be refunded up to A$90 per person per day for the unused portion of the holiday (note that in some cases hotels require a one night cancellation fee). A doctor's certificate is required.

RETURN FLIGHT SECURITY

If you or a member of your direct family in Australia should fall sick* while you are on your CostSaver guided holiday, we will take care of the additional cost of tickets for your earlier or later return home in the same class of air travel on the first available flight, provided you hold round-trip tickets on CostSaver's recommended airline(s) booked through CostSaver from Australia.

PRE-PAID CANCELLATION OPTION

Your deposit and/or payment to CostSaver will be refunded in full or you will have the option to carry it over to another CostSaver or TTC holiday should you cancel your holiday for any reason prior to 30 days from departure date from Australia. This cancellation option covers land arrangements made by CostSaver only.

If the Australian Government DFAT advice for the destination changes to "Reconsider the need to travel" or "Do not travel" you may have your deposit and / or payment refunded at any time prior to tour commencement or you will have the option to carry it over to another CostSaver or TTC holiday.

Prior to departure from Australia your airfares are not covered by Gold Seal. We recommend you take out Covermore Travel Insurance specifically covering the value of your airfares should you cancel your holiday (Please review Covermore terms and conditions around cancellation cover). We are happy to help you with arranging that travel insurance. Any rebooking costs of airfares prior to departure are not covered by Gold Seal.

Cancellation option fee is not refundable for any reason.
Please note that travel agent fees and cancellation fees may apply.
* Medical certificates as proof of all illness claims must be supplied.
